These transactions principally relate to the provision of raw materials or finished and packaging products, the provision of related technical services and the licensing of related trademarks to connected persons.
2. **Transactions relating to the distribution business of the Indofood Group** – a series of related continuing connected transactions relating to Indofood's distribution business. These transactions principally relate to the distribution by Indofood's subsidiary, PT Indomarco Adi Prima, of foodstuffs, beverages and other consumer products for or through connected persons.

Under Rule 14A.25 of the Listing Rules, for the purposes of compliance with Chapter 14A of the Listing Rules, the Noodles Business Transactions have been aggregated and the Distribution Business Transactions have also been aggregated.

Under Rule 14A.35(2) of the Listing Rules, the Company is required to set an Annual Cap for each continuing connected transaction. The Annual Caps for each of the continuing connected transactions described in this Announcement for the years ending 31st December 2006, 2007 and 2008 are specified below in this Announcement.

The proposed Annual Caps for each of the Noodles Business Transactions for the years ending 31st December 2006, 2007 and 2008 are set out in Table A below. The aggregate of the proposed Annual Caps for all the Noodles Business Transactions for the years ending 31st December 2006 and 2007 are US\$47.3 million and US\$60.8 million, respectively. The aggregate Annual Cap for the Noodles Business applicable, on a pro rated basis, to the agreements which expire during 2008 and those which continue throughout 2008 is US\$30.9 million.

The relevant percentage ratios (as defined in the Listing Rules) applicable to the aggregate Annual Caps in respect of the Noodles Business Transactions for each of the years ending 31st December 2006, 2007 and 2008 exceed 2.5% and, therefore, the Noodles Business Transactions and their respective Annual Caps for each of those financial years are conditional on approval by the Independent Shareholders at the Shareholders' Meeting, in accordance with the requirements of Rule 14A.18 of the Listing Rules.

Under Rule 14A.35(1) of the Listing Rules, in relation to the trademark and technical services agreement between Indofood and DUFIL, the trademark licence agreement between Indofood and Pinehill relating to the exclusive use of the "Indomie" and "Supermi" trademarks, and the technical services agreement between PIPS and Pinehill (described in more detail in Table A below) the Independent Financial Adviser is required to explain why a period exceeding three years is required and to confirm that it is normal business practice for such contracts to have a duration of more than three years.

The proposed Annual Caps for each of the Distribution Business Transactions for the years ending 31st December 2006, 2007 and 2008 are set out in Table B below. The distribution agreements between IAP and LS and between IAP and BD shown in Table B below (which are subject only to the announcement and disclosure requirements of Rules 14A.45 to 14A.47 of the Listing Rules) are each annual agreements which are automatically renewed for the same period unless terminated by either party. Annual Caps for the years ending 31st December 2007 and 2008 (in addition to an Annual Cap for the year ending 31st December 2006) are set out in Table B on the basis that each agreement will continue on substantially the same terms in respect of each of those periods.

The relevant percentage ratios (as defined in the Listing Rules) applicable to the aggregate Annual Caps in respect of the Distribution Business Transactions do not exceed 2.5% and, therefore, each of those continuing connected transactions is only subject to the reporting and announcement requirements set out in Rules 14A.45 to 14A.47 of the Listing Rules.

The Company has established the Independent Board Committee consisting of the Independent Directors, to advise shareholders of the Company as to whether the terms of the Noodles Business Transactions are fair and reasonable, whether such transactions are in the interests of the Company and its shareholders as a whole and to advise the Independent Shareholders how to vote at the Shareholders' Meeting to be convened to consider those continuing connected transactions. The Company has appointed Somerley Limited as the Independent Financial Adviser to make recommendations to the Independent Board Committee and the Independent Shareholders as to whether the terms of the Noodles Business Transactions are fair and reasonable and whether those transactions are in the interests of the Company and its shareholders as a whole and to advise the Independent Shareholders how to vote at the Shareholders' Meeting.

In accordance with the requirements of the Listing Rules, the Company will despatch a circular to the Company's shareholders containing:

- (a) the information required by the Listing Rules in relation to the Noodles Business Transactions;
- (b) a separate letter from the Independent Board Committee advising the Independent Shareholders whether, in the opinion of the Independent Board Committee after taking into account the recommendations of the Independent Financial Adviser, the terms of the Noodles Business Transactions are fair and reasonable and in the interests of the Company and its shareholders as a whole and advising the Independent Shareholders how to vote in respect of the resolutions to approve those continuing connected transactions at the Shareholders' Meeting;
- (c) a separate letter from the Independent Financial Adviser containing its advice to the Independent Board Committee and the Independent Shareholders as to whether the terms of the Noodles Business Transactions are fair and reasonable and in the interests of the Company and its shareholders as a whole and advising the Independent Shareholders how to vote in respect of the resolutions to approve those continuing connected transactions at the Shareholders' Meeting, and in relation to the transactions between Indofood and DUFIL, Indofood and Pinehill, and PIPS and Pinehill advising that it is normal business practice for such a contract to be of a duration of more than three years; and
- (d) a notice convening the Shareholders' Meeting, at which meeting resolutions will be proposed to consider and, if thought fit, approve the Noodles Business Transactions described in this Announcement.

Each of the continuing connected transactions described in this Announcement constitutes a continuing connected transaction for the Company under Rule 14A.14 of the Listing Rules because the counterparties to the relevant transactions with the Indofood Group are Associates of Mr. Anthoni Salim, the Chairman of the Company, President Director and Chief Executive Officer of Indofood and a substantial shareholder of the Company.

Under Rule 14A.18 of the Listing Rules, any connected person of the Company with a material interest in the Noodles Business Transactions is required to abstain from voting at the Shareholders' Meeting on the resolutions proposed to approve the Noodles Business Transactions. Accordingly, First Pacific Investments Limited and First Pacific Investments (BVI) Limited, which are Associates of the Salim Family in aggregate holding shares of the Company representing approximately 44.48% of the issued share capital of the Company, will abstain from voting at the Shareholders' Meeting on the resolutions to approve the Noodles Business Transactions.

INTRODUCTION

Members of the Indofood Group are parties to the following two series of continuing connected transactions, which were described in the 2005 Announcement:

1. **Transactions relating to the noodles business of the Indofood Group** – a series of related continuing connected transactions relating to Indofood's noodles business. These transactions principally relate to the provision of raw materials or finished and packaging products, the provision of related technical services and the licensing of related trademarks to connected persons.
2. **Transactions relating to the distribution business of the Indofood Group** – a series of related continuing connected transactions relating to Indofood's distribution business. These transactions principally relate to the distribution by Indofood's subsidiary, PT Indomarco Adi Prima, of foodstuffs, beverages and other consumer products for or through connected persons.

Under Rule 14A.25 of the Listing Rules, for the purposes of compliance with Chapter 14A of the Listing Rules, the Noodles Business Transactions have been aggregated and the Distribution Business Transactions have also been aggregated.

Under Rule 14A.35(2) of the Listing Rules, the Company is required to set an Annual Cap for each continuing connected transaction. The Annual Caps for each of the continuing connected transactions described in this Announcement for the years ending 31st December 2006, 2007 and 2008 are set out in the tables below.

In the case of the transactions between FID and DUFIL, between CKA and DUFIL, between FID and Pinehill and between CKA and Pinehill the agreements expire part way through the calendar year in 2008. Therefore the pro rata amount of the Annual Cap up to the expiry date of the relevant agreement is set out in the table below. On the basis that these transactions expire part way through the calendar year in 2008, the Independent Shareholders will only be requested to approve at the Shareholders' Meeting the pro rata amount of the Annual Cap applicable to the period during the relevant calendar year for which the relevant agreement remains in effect.

In relation to the trademark and technical services agreement between Indofood and DUFIL referred to in Table A below, the existing agreement will expire on 29th November 2006. It has been agreed pursuant to a letter agreement entered into on 13th April 2006 that the agreement be extended on the same terms as apply at present for four years until 29th November 2010. Under the Listing Rules, that extension is subject to the Independent Financial Adviser explaining in the circular to be despatched to the Company's shareholders in relation to the transactions described in this announcement why a period longer than three years is required for the extension of that agreement and on the extension of the agreement being approved by the Independent Shareholders at the Shareholders' Meeting. Assuming that the Independent Financial Adviser reaches the opinion that it is necessary for the trademark and technical services agreement between Indofood and DUFIL to be of a longer period than three years and that the extension of the agreement is approved by the Independent Shareholders at the Shareholders' Meeting, Independent Shareholder will also be requested at the Shareholders' Meeting to approve Annual Caps in respect of the agreement as so renewed for the calendar years 2006, 2007 and 2008. On this basis, proposed Annual Caps for each of the full calendar years ending 31st December 2006, 2007 and 2008 are specified below in relation to the trademark and technical services agreement between Indofood and DUFIL.

The transactions between Indofood and Pinehill and between PIPS and Pinehill are each for five years expiring on 31st December 2010. As referred to in the 2005 Announcement, the Company previously engaged Somerley Limited as its independent financial adviser to review the trademark licensing agreement between Indofood and Pinehill and the technical services agreement between PIPS and Pinehill. As stated in the 2005 Announcement, Somerley Limited confirmed to the Board that, having considered the facts and circumstances in relation to the entering into of the trademark licensing agreement and the technical services agreement between Indofood and Pinehill and PIPS and Pinehill, respectively, Somerley were of the opinion that it is necessary for such agreements to be of a longer period than three years and that it is normal business practice for contracts of this type to be of a duration of more than three years. In the context of approving the applicable Annual Caps for these agreements for the years ending 31st December 2006, 2007 and 2008, the Independent Financial Adviser will set out in detail in the shareholders' circular an explanation of why a period in excess of three years is required for these agreements and its opinion that it is necessary for the agreements to be of a longer period than three years. Accordingly, on this basis, the applicable Annual Caps in respect of each of these agreements for the years ending 31st December 2006, 2007 and 2008 are set out in Table A below.

The proposed Annual Caps for each of the Noodles Business Transactions for the years ending 31st December 2006, 2007 and 2008 are set out in Table A below. The aggregate of the proposed Annual Caps for all the Noodles Business Transactions for the years ending 31st December 2006 and 2007 are US\$47.3 million and US\$60.8 million, respectively. The aggregate Annual Cap for the Noodles Business applicable, on a pro rated basis, to the agreements which expire during 2008 and those which continue throughout 2008 is US\$30.9 million.

The distribution agreements between IAP and LS and between IAP and BD, respectively, in respect of the Distribution Business Transactions and shown in Table B below (which are each subject only to the announcement and disclosure requirements of Rules 14A.45 to 14A.47 of the Listing Rules) are each annual agreements which are automatically renewed for the same period unless terminated by either party. Annual Caps for the years ending 31st December 2007 and 2008 (in addition to an Annual Cap for the year ending 31st December 2006) are set out in Table B on the basis that each agreement will continue on substantially the same terms in respect of each of those periods.

The proposed Annual Caps for each of the Distribution Business Transactions for the years ending 31st December 2006, 2007 and 2008 are set out in Table B below. The aggregate of the proposed Annual Caps for all the Distribution Business Transactions for the years ending 31st December 2006, 2007 and 2008 are US\$17.0 million, US\$20.5 million and US\$25.0 million, respectively.

REASONS FOR THE ENTERING INTO OF THE CONTINUING CONNECTED TRANSACTIONS

The relevant members of the Indofood Group have entered into the continuing connected transactions as part of their regular ongoing business arrangements in relation to the business and operations of the Indofood Group as set out below:—

1. In respect of the Noodles Business Transactions, following success in recent years not limited to increased product awareness, sales volumes and distribution networks, both the Company and Indofood envisage that there is considerable potential for market growth and the capture of future market development opportunities in the Saudi Arabian, Middle East, and Nigerian markets, and have therefore made positive decisions in relation to their operations in these markets in order to capitalise on such opportunity. It is intended that maintaining the current continuing connected transactions referred to in this announcement will allow Indofood to sustain established long-term relationships with DUFIL and Pinehill. Furthermore it is anticipated that this will in turn allow the Company and Indofood to benefit from the distribution networks and customer relations of DUFIL and Pinehill and their future growth within the Nigerian, Saudi Arabian and Middle East instant noodles markets. In addition, the transactions are entered into by the Indofood Group with DUFIL and Pinehill to ensure that the instant noodles products produced by DUFIL and Pinehill under the “Indomie” brand and “Supermi” brand for Pinehill are of a high quality standard such as to enable Indomie to build brand equity, in the case of DUFIL in Nigeria and, possibly over the long term, in Africa and, in the case of Pinehill, in Saudi Arabia and the Middle East.
2. In respect of the Distribution Business Transactions, the transactions are entered into by the Indofood Group with LS and BD to increase sales turnover and earn additional margin on the products sold by the Indofood Group, as well as to diversify the product portfolio of the Indofood Group.

The benefits which are expected to accrue to the Indofood Group and the Company as a result of the transactions are the enhancement of facilities, assets and resources utilisation with profitable margins and increases in market share, revenue and operational profitability of Indofood’s major businesses.

INFORMATION IN RESPECT OF THE COUNTERPARTIES

Each of DUFIL and Pinehill, being the counterparties to the Noodles Business Transactions, are engaged in the manufacturing and marketing of instant noodles, in the case of DUFIL, in Nigeria and, in the case of Pinehill, in Saudi Arabia and the Middle East.

LS and BD, being the counterparties to the Distribution Business Transactions, are engaged, in the case of LS, in operating supermarkets in certain major cities in Indonesia and, in the case of BD, in the distribution of Pepsi bottler products in Indonesia.

Each of DUFIL, Pinehill, LS and BD are Associates of Mr. Anthoni Salim, the Chairman of the Company, President Director and Chief Executive Officer of Indofood and a substantial shareholder of the Company. Accordingly, each of the Noodles Business Transactions and the Distribution Business Transactions is a continuing connected transaction for the Company under the Listing Rules.

BASIS OF ANNUAL CAPS

The starting point for determining the Annual Caps for the financial year ending 31st December 2006 is the corresponding transaction values for the financial year ended 31st December 2005 (referred to in Tables A and B above). However, the estimated Annual Caps for the financial year ending 31st December 2006 show a substantial increase over those for 2005. This is reflective of substantial growth and significant success in recent years in the Nigerian business, and the Saudi Arabian and Middle East markets which is expected to be sustained. The Company and Indofood furthermore envisage that there is considerable potential for growth and the further development of these markets, and in order to capitalise on such opportunity have therefore made positive decisions to expand their operations in these markets.

The Annual Caps for the financial years ending 31st December 2007 and 2008 are based on the Annual Caps for the financial year ending 31st December 2006, assuming a normal level of growth in those businesses over that two-year period.

IMPLICATIONS UNDER THE LISTING RULES

Each of the continuing connected transactions described in this Announcement constitutes a continuing connected transaction for the Company under Rule 14A.14 of the Listing Rules because the counterparties to the relevant transactions with the Indofood Group are Associates of Mr. Anthoni Salim, who is the Chairman of the Company, President Director and Chief Executive Officer of Indofood and a substantial shareholder of the Company.

The relevant percentage ratios (as defined in the Listing Rules) applicable to the aggregate Annual Caps in respect of the Noodles Business Transactions for each of the years ending 31st December 2006, 2007 and 2008 exceed 2.5% and, therefore, the Noodles Business Transactions and their respective Annual Caps for each of those financial years are conditional on approval by the Independent Shareholders at the Shareholders' Meeting, in accordance with the requirements of Rule 14A.18 of the Listing Rules.

Under Rule 14A.35(1) of the Listing Rules, in relation to the trademark and technical services agreement between Indofood and DUFIL, the trademark licence agreement between Indofood and Pinehill relating to the exclusive use of the "Indomie" and "Supermi" trademarks, and the technical services agreement between PIPS and Pinehill (described in more detail in Table A above), the Independent Financial Adviser is required to explain why a period exceeding three years is required and to confirm that it is normal business practice for such contracts to have a duration of more than three years.

The relevant percentage ratios (as defined in the Listing Rules) applicable to the aggregate Annual Caps in respect of the Distribution Business Transactions do not exceed 2.5% and, therefore, each of those continuing connected transactions is only subject to the reporting and announcement requirements set out in Rules 14A.45 to 14A.47 of the Listing Rules.

- (c) a separate letter from the Independent Financial Adviser containing its advice to the Independent Board Committee and the Independent Shareholders as to whether the terms of the Noodles Business Transactions are fair and reasonable and in the interests of the Company and its shareholders as a whole and advising the Independent Shareholders how to vote in respect of the resolutions to approve those continuing connected transactions at the Shareholders' Meeting, and in relation to the transactions between Indofood and DUFIL, Indofood and Pinehill, and PIPS and Pinehill advising whether it is normal business practice for such a contract to be of a duration of more than three years; and
- (d) a notice convening the Shareholders' Meeting, at which meeting resolutions will be proposed to consider and, if thought fit, approve the Noodles Business Transactions described in this Announcement.

Under Rule 14A.18 of the Listing Rules, any connected person of the Company with a material interest in the Noodles Business Transactions is required to abstain from voting at the Shareholders' Meeting on the resolutions approving the Noodles Business Transactions. Accordingly, First Pacific Investments Limited and First Pacific Investments (BVI) Limited, which are Associates of the Salim Family in aggregate holding shares of the Company representing approximately 44.48% of the issued share capital of the Company will abstain from voting at the Shareholders' Meeting on the resolutions to approve the Noodles Business Transactions.
