Press Release

INDOFOOD'S 2003 FINANCIAL RESULTS

- NET SALES INCREASED 9% TO RP.17.9 TRILLION ;
- GROSS PROFIT UP 10% TO RP.4.5 TRILLION ;
- EBIT GREW 7% TO RP.2.0 TRILLION

Indofood announced today its consolidated operating results for the year ended Dec.31, 2003, with net sales of Rp.17.9 trillion (FY02 : Rp.16.5 trillion) an increase of 9% over 2002. Gross profit and operating income (EBIT) grew respectively, 10% and 7% to Rp4.5 trillion (FY 02 : Rp.4.1 trillion) and Rp.2.0 trillion (FY02 : Rp.1.9 trillion).

Mrs. Eva Riyanti Hutapea, President Director of Indofood highlighted the 2003 financial results, as follows :

- Sales revenues of Noodles, Flour and Edible Oil & Fats (branded & commodity) contributed 85% of the consolidated net sales, or respectively, 33%, 28% and 24%. Noodles division recorded growth of 4% in sales revenues to Rp.6.0 trillion (FY02 : Rp.5.8 trillion), Flour sales improved slightly to Rp.6.1 trillion (FY02 : Rp. 5.9 trillion), while Edible Oil & Fats (branded & commodity) recorded sales of Rp. 5.4 trillion (FY02 : Rp.5.7 trillion);
- Despite tougher competition in the domestic noodles industry, total sales volume of noodles was maintained at 9.8 billion packs (FY02 : 9.8 billion packs). Flour sales volume declined 5% to 2.2 million tons (FY02 : 2.3 million tons) in the face of lower industry growth during 2003 ;
- 3. Gross profit up 10% to Rp.4.5 trillion (FY02 : Rp.4.1 trillion) mainly due to selling price increases, which supported the increase of EBIT by 7% to Rp.2.0 trillion (FY02: Rp.1.9 trillion). While gross margin slightly grew to 25.0% (FY02 : 24.7%), increases in fuel, salary costs and selling expenses (particularly advertising and promotion expenses) caused the EBIT margin to decline slightly to 11.2% (FY02 : 11.4%). Increased advertising & promotion expenses were mainly due to the brand building programs and other promotions to counter the increasing competition ;
- 4. Net income declined 25% to Rp.603 billion (FY02 : Rp.803 billion) due mainly to 22% increases in interest expenses and other financing charges to Rp.996 billion (FY02 : Rp.817 billion) and net loss on foreign exchange of Rp.102 billion recorded during 2003 (compared to net foreign exchange gains of Rp.216 billion in 2002), because of the rupiah appreciation of 5.6% from Rp.8,940 per US. Dollar as of Dec.31, 2002 to Rp.8,465 as of Dec.31, 2003. The average exchange rate during the year was Rp.8,574 from an average of Rp.9,264 in 2002. The increase in interest expenses during the period was attributable to the replacement of maturing US.Dollar debts (obtained before the monetary crisis in 1997 which carried lower interest rates) with the US.Dollar 280 million Eurobond, bearing a 10.375% coupon rate and additional working capital loans obtained in late September 2002, which had a full year effect in 2003;

- 5. Export revenues during the year increased 40% to US.Dollar 364 million (FY02 : US.Dollar 259 million) ;
- As at Dec.31, 2003, the Company's US.Dollar denominated debts reduced to approximately US.Dollar 400 million (Dec.31' 02: US.Dollar : 458 million), of which 77% will mature in 2007. To provide hedging for these loans, as of Dec.31, 2003, Indofood had Principal Only Swap (POS) contracts of US.Dollar 310 million. The outstanding Rupiah debts as of Dec.31, 2003 amounted to approximately Rp.4.1 trillion (Dec.31'02 : Rp.4.1 trillion);
- At the end of Dec.2003, total assets were Rp.15.31 trillion (Dec.31'02 : Rp.15.25 trillion), including cash & cash equivalents of Rp.1.5 trillion (Dec.31' 02 : Rp.1.4 trillion), while shareholders' equity amounted to Rp.4.1 trillion (Dec.31'02 : Rp.3.7 trillion) :
- 8. The Debt Equity ratio as of Dec.31, 2003 improved to 1.8 times (Dec.31'02 : 2.2 times), while Net Gearing ratio improved to 1.5 times (Dec.31 '02 : 1.8 times).

The Board of Directors will propose dividend payments which will at least be equal to last year.

As announced on Dec.16, 2003, Mrs. Eva Riyanti Hutapea has decided to step down as President Director of Indofood with effect from the next Annual General Meeting (AGM) of Indofood. In order to ensure a smooth transition, the Board of Commissioners (BOC) have agreed that during this transitional period, Mr. Anthoni Salim, who is currently Commissioner of Indofood will be delegated by the BOC to provide the Board of Directors (BOD) with all assistance it may require. In connection with this, an Executive Committee (Excom) has been formed, with Mr. Salim as the Chairman.

In his capacity as Excom Chairman, Mr. Salim reiterated that Indofood is strongly committed to remain focused in its efforts to increase assets productivity and efficiency, to improve its leverage position, to enhance its brand equities through constant product innovation, improvement in its overall marketing strategy and effective use of its extensive sales and distribution network. Indofood will also continue and enhance its costs cutting programs. He added : "I am confident that with these initiatives, Indofood will reach a higher level of performance and strengthen its leading position in the processed food industry in the short and medium-term."

Notes:

- The above financial information for the years ended December 31, 2003 and 2002 are derived from the consolidated financial statements that have been audited by Prasetio, Sarwoko & Sandjaja, Registered Public Accountants, who have rendered an unqualified opinion in its report dated February 20, 2004.
- 2. Earnings per share is computed based on the weighted average number of outstanding shares during the years.
- 3. The foreign exchange rates used as at December 31, 2003 and 2002 were Rp 8,465 and Rp 8,940 to US\$ 1, respectively.

Jakarta, March 1, 2004
