

FIRST PACIFIC COMPANY LIMITED 第一太平有限公司

(Incorporated with limited liability under the laws of Bermuda)

Press Release

Tuesday, 31 October 2017

Indofood's financial results for the period ended 30 September 2017

The attached press release was released today in Jakarta by PT Indofood Sukses Makmur Tbk ("Indofood", IDX: INDF), in which First Pacific Group holds an economic interest of 50.1%.

Indofood is a leading Total Food Solutions company with operations in all stages of food manufacturing from the production of raw materials and their processing through to the manufacture of consumer food products and their distribution to the market. It is based and listed in Indonesia while its Consumer Branded Products subsidiary PT Indofood CBP Sukses Makmur Tbk and agribusiness subsidiaries PT Salim Ivomas Pratama Tbk and PT Perusahaan Perkebunan London Sumatra Indonesia Tbk are also listed in Indonesia. Another subsidiary, Indofood Agri Resources Ltd. is listed in Singapore, and an agribusiness associate, Roxas Holdings, Inc. is listed in the Philippines.

Through its four complementary Strategic Business groups, Indofood manufactures and distributes a wide range of food products: Consumer Branded Products (noodles, dairy, snack foods, food seasonings, nutrition and special foods, and beverages), Bogasari (wheat flour and pasta), Agribusiness (oil palm, rubber, sugar cane, cocoa and tea plantations, branded cooking oils, margarine and shortenings) and Distribution.

Indofood is one of the world's largest manufacturers by volume of wheat-based instant noodles, one of the largest plantation companies by area and the largest flour miller in Indonesia. Indofood also has an extensive distribution network across Indonesia.

Further information on Indofood can be found at www.indofood.com

PRESS RELEASE

For Immediate Release

INDOFOOD FINANCIAL RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2017

Consolidated net sales grew 6.5% to Rp53.12 trillion

Income from operations rose 14.6% to Rp6.80 trillion

Income for the period attributable to equity holders of the parent entity increased 1.2% to Rp3.28 trillion

Jakarta, 31 October 2017 – PT Indofood Sukses Makmur Tbk ("Indofood" or the "Company") today announced its financial results for the period ended 30 September 2017. Consolidated net sales grew 6.5%

to Rp53.12 trillion from Rp49.87 trillion in the same period last year. The Company's Strategic Business

Group ("Group") namely Consumer Branded Products ("CBP"), Bogasari, Agribusiness, and Distribution

Group contributed around 50%, 22%, 20%, and 8% respectively.

Income from operations increased 14.6% to Rp6.80 trillion from Rp5.93 trillion, and operating margin

expanded to 12.8% from 11.9%. Income for the period attributable to equity holders of the parent entity rose

1.2% to Rp3.28 trillion from Rp3.24 trillion and net margin declined to 6.2% from 6.5%, mainly due to the

absence of income for the period from a discontinued operation and higher non-controlling interests in relation

to the improvement of Agribusiness performance. Without taking into account non-recurring items and

difference in foreign exchange rate, core profit, which reflects the underlying performance, increased 3.9%

to Rp3.24 trillion from Rp3.12 trillion in the same period last year.

Anthoni Salim, the President Director and Chief Executive Officer of Indofood, said: "Market condition has

not improved significantly in the third quarter. Demand for fast moving consumer goods remains subdued,

while competition is increasing. Despite these conditions, we are able to deliver growth in top line and

operating profit."

---End---

About PT Indofood Sukses Makmur Tbk

Over the last two decades, Indofood has progressively transformed into a Total Food Solutions company with operations in all stages of food manufacturing, from the production of raw materials and their processing, to consumer products in the market. Today, it is renowned as a well-established company and a leading player in each business category in which it operates. In its business operations, Indofood capitalizes on economies of scale and a resilient business model with four complementary Strategic Business Groups ("Group"), namely:

- Consumer Branded Products ("CBP")
 Supported by the strength of its product brands, the Group produces a diverse range of consumer branded products including noodles, dairy, snack foods, food seasonings, nutritional and specialty foods, and beverages.
- Bogasari
 The Group is primarily a producer of wheat flour as well as pasta, with business operations supported by its own shipping and packaging units.
- Agribusiness
 The Group's principal activities range from research and development, seed breeding, oil palm cultivation and milling, to the production and marketing of branded cooking oils, margarine and shortening. The Group also cultivates and processes rubber, sugar cane and other crops.
- Distribution
 With the most extensive distribution network in Indonesia, the Group distributes the majority of the
 consumer products manufactured by Indofood and its subsidiaries, as well as by third parties, to the
 market.
