METRO PACIFIC CORPORATION

FOR IMMEDIATE RELEASE

METRO PACIFIC SIGNIFICANTLY REDUCES LOSSES FOR FIRST QUARTER 2003

First quarter 2003 unaudited consolidated net loss reduced to Pesos 59.0 million, compared to first quarter 2002 loss of Pesos 521.3 million

BONIFACIO GLOBAL CITY, PHILIPPINES, 14TH MAY 2003 – Metro Pacific Corporation ("Metro Pacific") (PSE: MPC) today announced an unaudited consolidated net loss of Pesos 59.0 million for the first quarter of 2003, a significant and substantial reduction from its loss of Pesos 521.3 million for the same period last year. This is attributed to Metro Pacific's share in the reduced losses from now-affiliated company, Bonifacio Land Corporation (which has been deconsolidated from Group accounts as of 1st January 2003), gains realized from debt reduction exercises, and improved performance from shipping subsidiary Negros Navigation Company.

Consolidated Results

Metro Pacific recorded consolidated net revenues of Pesos 735.9 million for the first quarter, a slight reduction from the Pesos 792.0 million recorded for the same period last year, reflecting continued softness throughout the property market. Other income rose to Pesos 165.2 million in 2003 versus Pesos 18.8 million in 2002, the result of various debt reduction exercises. Operating expenses decreased 4.6 percent, due to strict cost management and manpower reduction programs effected at both parent and subsidiary levels. Financing charges marginally rose to Pesos 150.9 million in 2003 from Pesos 140.7 million in 2002, due to a decrease in interest income. Gross interest expenses however, reduced 52.0 percent to Pesos 151.0 million from Pesos 291.0 million for the period last year, in line with the progress achieved by the Company's debt reduction and restructuring program.

Debt Reduction and Restructuring Continues

As of 31st December 2002, Metro Pacific had a total of Pesos 12.9 billion in parent company debts. With the completion of the Larouge transaction, which saw repayment of Pesos 4.9 billion of debts being made last 17th April 2003, and other agreements that have been successfully concluded by way of dacion or by restructuring, the remaining debts to be addressed now stands at Pesos 1.478 billion. Metro Pacific anticipates achieving substantially the goals of its debt reduction program which was started in late 2001, by the end of 2003.

Operational Review

Negros Navigation Company ("Nenaco") posted an audited net profit of Pesos 10.5 million, a 115.0 percent improvement over its net income of Pesos 4.9 million for the same period last year. Nenaco's improved performance reflects increased revenues from its passage business, and a 12.0 percent reduction in interest expenses due to successful debt reduction exercises. Consolidated revenues for the period rose to Pesos 604.5 million from Pesos 595.5 million for the same period last year. During the first quarter of 2003 Nenaco regained full freight capacity, in time for the peak second quarter travel and cargo shipping season, and is currently engaged

in discussions with a number of parties regarding possible capital raising and strategic business alliances.

Landco Pacific Corporation ("Landco") reported an unaudited net profit of Pesos 4.8 million for the first quarter of 2003, a marginal reduction from the Pesos 5.2 million reported in 2002, due to an increase in operating expenses related to the full construction of its Terrazas de Punta Fuego and Leisure Farms expansion projects. Revenues however, grew substantially during the period, to Pesos 132.4 million compared to Pesos 78.1 million in 2002, reflecting the brisk sales of both Terrazas de Punta Fuego and Leisure Farms. Landco is currently engaged in expansion works for its Forest Lake Memorial Parks and regional shopping centers division during 2003.

Pacific Plaza Towers ("PPT") is experiencing renewed sales interest, reflecting the project's leadership in the high-end condominium sector, and is currently engaged in closing a number of new sales contracts. To date, 297 units or 75.6 percent of the project's 393 units have been sold.
