Clarification on the news article in the Straits Times published on 1st May 2010

Indofood Agri Resources Ltd. (“IndoAgri”) refers to the news article in the Straits Times (the “**ST Article**”) on 1st May 2010 entitled “IndoAgri earnings jump 29%”. The second paragraph of the ST Article had stated that “*The bumper results came just days after Greenpeace accused IndoAgri of deceiving shareholders over its green credentials. The firm has suspended an official at the centre of the allegations.*”

IndoAgri wishes to state that the above statements are incorrect, and wishes to clarify that IndoAgri did not receive any allegations from the environmental group Greenpeace. We have requested the Straits Times to issue a corrective statement.

By order of the Board
